MEMORANDUM FOR THE CABINET COUNCIL ON ECONOMIC AFFAIRS

FROM: ROGER B. PORTER *RBP*
SUBJECT: Agenda and Papers for the October 16 Meeting

The agenda and papers for the October 16 meeting of the Cabinet Council on Economic Affairs are attached. The meeting is scheduled for 8:45 a.m. in the Roosevelt Room.

The first agenda item is a review of government spending and the private economy. A paper prepared by Gregory Ballentine examining trends in the composition of government spending and its effects on the private economy was distributed to Council members on October 5 along with the papers for the October 9 meeting. The paper differentiates government spending for purchases of products and services and government spending that involves transfer payments. It then examines the effects on the private economy of each of these two basic types of government spending.

The second agenda item is a review of the Treasury Studies of Federal-State-Local Fiscal Relations. Last year, the legislation reauthorizing the Revenue Sharing Program directed the Secretary of the Treasury to conduct an extensive series of studies of Federal-State-Local fiscal relations. These studies have generated a good deal of interest. A memorandum from Thomas Healey providing background on these studies and describing the timetable for their completion is attached.
